

Summer Reading Assignment

AP US History

Ms. Frank

1. ALL incoming Juniors enrolled in AP US History are required to complete a summer reading assignment. Students must do the following over the summer:
 - a. **Read Chapter One of the AP US History Textbook**
 - i. You will be provided with a digital copy of the entire textbook when the school year begins. For now, you will use a PDF of the first chapter.
 - ii. [Here](#) is the PDF for Chapter One.
 - b. **Go through the notes over Unit One**
 - i. These will highlight important connections in the chapter and cover material that is not in the textbook but in the unit.
 - ii. [Here](#) is the Google folder for the notes.
 - c. Need more help in retaining the unit? I recommend Heimler's Youtube Review Channel.
 - i. [Here](#) is the playlist of the videos for Unit One.
2. We will have a forty question multiple choice test on the second day of school (Friday August 18th) over Unit One. NO EXCUSES. This test will be closed notes and a major grade.

If you have any questions please email me at Caitlin.Frank@argyleisd.com.

See you all in the fall!
