A school district must consider the recommendations of the local school health advisory council before changing the district's health education curriculum or instruction.  
SHAC makes recommendations Per Texas Education Code 28 health advice to the School Board.  
The school is not allowed to state conscientious decisions about exemptions by parents and staff on COVID information on their student or themselves.
- Sexual Education Program was discussed for Middle and High School Students  
Abstinence Program (Aim for Success) – 10<sup>th</sup> graders for 4 days normally in April in English class for 40 minutes in a week  
Concerns were discussed about not teaching them about the mechanics so they know what they are supposed to abstain from; they need to know facts.
